

You Can Help

BUY A BRICK

By buying a brick with your name, you will help us with the walkway entrance to the Aquatic Center. This walkway is over 360' in length and 10' wide. We are in need of 16,000 brick pavers for this walkway. The cost is \$85, which includes your name, or \$115, including company name and logo.

OPTIONS A, B, C \$85

- A. Donated by (1st line)
- B. In Memory Of (1st line)
- C. Your Name ONLY
(3 line, 14 character per line max)

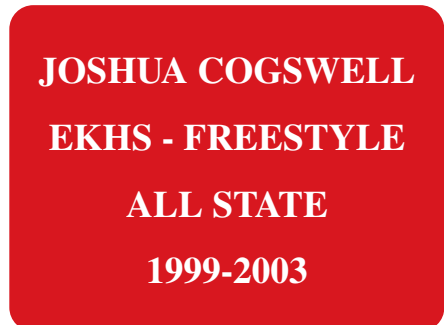

OPTIONS D and E \$115

- D. your logo on left or right
- E. dive logo on left
(3 line, 8 character per line max)

BUY A TILE

Buy a tile to remember your swimmer or diver. A wall of honor will help us celebrate those that are, and those that have gone before. These tiles are for all swimmers, divers, water polo players and synchronized swimmers only. The cost for a tile is \$250, which includes name, school/program, one honor (i.e. all state, all conference, etc.), and years. There are 4 tile colors and 6 lettering colors to best represent their school/program.

(3 line [plus years], 20 character per line max)

OTHER WAYS

There are other ways you can help, such as returnable pop cans/bottles and pocket change. If we were able to collect 83,000,000 returnables, we would not need to pay the high rate of bank financing, thus keeping facility charges low for school team usage.

We are also issuing interest bearing promissory notes in a variety of amounts (\$100, \$500, \$1000 and larger) that will mature in 10, 15 and 20 years. These are needed to show the bank the community support for this project, and to keep facility costs lower for the user fees.

CORPORATE SPONSORSHIP OPPORTUNITIES

Corporate or Individual Sponsorships in excess of \$5,000 are eligible for a plaque recognizing your support. Sponsorships over \$10,000 are eligible for special signage showing your company's support and contribution. Other opportunities exist for larger donations and further information is available upon request. Please contact the Aquatic Champions & Fitness office at info@AquaticChampions.org.

Sponsorship is needed for the following items, which have specific dollar values and your support for providing them will be displayed.

Scoreboard, one-meter diving boards, three-meter diving boards, five-meter platform, starting blocks, touch pads, therapy pools, lane lines, water polo system, and underwater speaker/sound system.

ORDER FORM

BRICK

TILE

Style A* Style B* Style C Style D** Right Left Style E Years for Tile _____

*if style A or B, do not fill in line 1.

Line 1: _____

Line 2: _____
